

# CHALLENGE VII dysFUNCTIONal

Wood Turning Center | October 3, 2008–January 17, 2009

The Wood Turning Center is proud to announce the October 3, 2008, opening of its latest exhibition: *Challenge VII: dysFUNCTIONal*, which will run in the Center through January 17, 2009. The exhibition creates visual dialogue between objects and videos that never were intended to be together. The 33 works by 30 artists are persuasive in content, form, surface and movement, and evoke humor, curiosity and suspicion.
